

Tell us about your goal with contact lens fitting today !

Q1. I am interested in contact lenses.....

Q2. which types of contact lens are you interested in

Dailies

Bi-weekly

Monthly

* If you are not sure about differences between these types, NO Worries !!
Just ask the doctor during the exam.

Q3. Can you insert and remove contact lenses?

YES

NO

* If your answer is no, don't worry.
We would provide training until you feel comfortable inserting and removing yourself.

We recommend having at least one pair of glasses, even if you are interested in contact lenses since we only recommend contact lenses 8-10 hours/day.
